ASN GRANT-IN-NEED

A grant-in-need covers page charges and online-only appendix charges and must be requested before a manuscript goes to Production. To request a grant, the authors must include a signed letter that explains (1) that no other funds are available to any of the authors for the page charges, (2) which author is a member of the ASN, (3) that the ASN member has not had an ASN grant in the previous 12 months, and (4) that, if the authors request color printing and/or open access charges, the authors agree to pay for these.
